CONCERNING

TRANSATLANTIC LINERS.

Paris, Aug. 7.—An official communication issued by the French war office at half past eleven today says the resistance offered to the Germans by the forts of Liege continued according to the latest advices. The fighting is of the most serious nature. Up to the present the advantage has line with the Beigians, 40,000 of whom are holding in check several German army corps. Several thousands of Germans have been killed or wounded or taken prisoners. A doctor wearing the emblem of the Red Cross, while caring for the dead on the battlefield outside Liege, when threatened by Germans, drew his re-volver, and they immediately shot him

NEWS CONCERNING

of Strict Neutrality.

New York, Aug. 7.—With many thousand foreign reservists in New York swaiting means of transportation to their native lands, the federal port authorities here, under instructions to see that the neutrality laws were observed, were confronted tonight with a puzzling situation created by the manner in which some of the reservists planned to sail.

Unless the local customs officials, acting under the department of commerce, steps in to prevent, there will an official of the war office explained the operations around Liege. He said there were 12 forts, six on each band of the river Meuse. Their distance from the center of the cities varies from 3 1-2 to 5 1-2 miles. Fort Plemalle sweeps both banks of the river as well as the highway and the river to Namur and crosses fire with Pollogne swept the slope of Ans, and the railroad to Saint Trond with the highway from Hollogne to Geer and the realroad and crosses fire with Pollogne swept the slope of Ans, and the railroad to Saint Trond with the highway from Hollogne to Geer and with the guns of Forts Flemalle and
